itam, Calafia!

The curtain falls on the old year, and as they rise again a bright new year begins!

The final act was Winter Arts where we gathered to celebrate friendship and artistic skills. We not only have new Arts Champions, Mistress Adeliçia & Morgan the artfully Annoying, but a new Bard of Calafia as well - Lady Maluchka Korotkova. The food was wonderful, the company even better, and it was a great way to end the year.

After a couple of weeks filled with sloth & gluttony I am well rested, and Kate & I look forward to the New Year and what it brings.

The opening act will be 12th Night where we will witness the investiture of Dreiburgen's new Baron & Baroness, and where we are looking forward to a Feast prepared by Master Jamal Damien Marcus. This will be followed by an act in three scenes; a trio of vignettes that starts with Angels Melee which will have fighting to help shake off the winter's inactivity & help prepare for Estrella War. This is followed by Gyldenholt Unbelted which will display not only the prowess & chivalry of Caïd's armored fighters, but their skills in Arts & Science. We end with one of our favorite events, the In-Sand-ity tourney in Pol Na Gainmhe which sometimes incorporates Farce & Comedy as part of the act.

After a short intermission the curtains will rise again as we join Their Royal Majesties and

head out to Estrella War to fight, shop & socialize. We hope that you will join us there. Please remember to Land Allocate before January 2nd & pre-reg before January 17th. Follow this link for more information:

<http://www.estrellawar.org/Registration/PreRegistration.aspx>

The season lasts the whole year long, so come and enjoy the show!

In Service to the Dream,

Don Oliver i Pani Kate Dogberry

Baron & Baroness of Calafia
