Greetings Unto the Populace of Calafia,

It was wonderful to see everyone at Great Western War. The Calafia Baronial Encampment hosted the vigil for our Seneschal Sabyna of Aydon as she prepared for her elevation to the Order of the Pelican. Lady Kirivi Aioli and Lady Rummey Foxley both received the Kingdom Dolphin award for service. There were several elevations and awards given out at GWW this year that made for a very joyous camping event. Congratulations to all. Thank you to all those that volunteered their time at Great Western War. Large events like this can not happen without all our volunteers.

November is going to be a very busy month of events. We welcome your company as we travel around the fair Kingdom of Caid.

Our progress will be as follows:
November 5th – Calafia Anniversary. Baron Oliver Dogberry will be having his vigil at Calafia Anniversary.
November 12th – Naevehjem Anniversary. Come celebrate the elevation of the new Baron and Baroness.
November 13th – Calafia Equestrian champion and Thrown Weapons champion tournaments.
November 19th – Isles 50th Anniversary. Let’s celebrate the shire of Isles together. They are the “I” in Caid.
December 3rd – Calafia Winter Arts. Happy Yuletide.

We wish everyone a safe and joyous holiday season with family and friends.

In Happy Service to the Dream,
Gamyl of Mottrum and Danyel de Licatia
Baron and Baroness of Calafia
BARONIAL SUCCESSORS
WANTED

Sir Gamyil of Mottrum and Honorable Lady Danyel de Licatia have served as Baron and Baroness for almost four of their five-year promise to serve the Barony of Calafia. It is time to find successors for them.

Are you interested in becoming the next Baronial Heads of Calafia? You might be interested in serving... "But, how?" you ask... Well, here is the process for determining how the Baronial Heads of Calafia are chosen:

- First, interested parties should submit a letter of intent via email to excellencies@calafia.org. The title of the email should say "Letter of Intent". In the letter (email), include your full SCA names and your full modern names. Be sure to also provide a little information about yourselves and your experiences in the SCA.
  - Letters of intent will be accepted until the December 15, 2022 council meeting.

- Second, a town hall meeting, called a Curia, will take place in the beginning of 2023 where the populace will meet with each of the candidate couples separately and have the opportunity to ask questions pertaining to their ideas and leadership for the future of the Barony of Calafia. From the Curia results – as well as input from the populace – the next successors (Reeves) will be determined.
  - Successors will be announced at Potrero War in May 2023.
  - Successors need to be paid members of the SCA by no later than May 2023.

- Third, once successors have been determined, the couple will be notified so that they may have time to prepare for becoming Reeves at Potrero War 2023. Reeves are Baronial Heads-in-training. This is a period of time when the new Reeves follow the current Baron and Baroness to events and learn what it is to be Baronial Heads. This is the time when the populace gets acquainted with the Reeves.

- Fourth, a vote of confidence will go out to the populace of Calafia in regards to their support of the Reeves as Baronial Heads of Calafia. The current Calafia Baron and Baroness and current Calafia Seneschal will review the results of the polling. Their findings will be presented to the King and Queen of Caid for their approval.

- At Calafia Anniversary in November 2023, the Reeves will step up as the new Baronial Heads of Calafia, with the approval of the King and Queen of Caid.

Attention all Guilds!

Calafia Winter Arts is right around the corner and that means it's time to dust off your charters!

All guilds must present a charter during court in order to remain active. Any guild that does not do so will be marked as “dark" and will not be able to access baronial funds, hold meetings, etc.

For any questions on this process, email the Seneschal at seneschal@calafia.org

COMMENTARY FROM THE BARON AND BARONESS

Not in attendance. The Barony hopes our Excellencies are enjoying their trip in Italy. We miss you!

COMMENTARY FROM THE SENESCHAL

Good Evening and welcome to September Council. It is nice to see that we have grown to at least two more in person and 6 online. Our Excellencies are currently in Italy right now and it is very early. We will be recording the second session for the Seneschal but they have interviewed this person earlier and are aware of who she is.

- Letters of Intent to be the next B&B will be accepted through mid-December 2022. We will hold Curia during January Council. Location TBD.
- 2023 Events: (They are currently online)
  - We have received the dates for all of our official events in 2023 and we will be opening up the bid process before the end of the year.
    - We will be opening up the entire calendar with the bid forms the first of the year so we can calendar out
  - If an event steward is not found by 90 days prior to the event then the event will be cancelled. We cannot keep making the officers handle both their roles and events so they aren’t cancelled.
    - Great idea but will there be a general announcement on the FB page
      - We will be coordinating with Social Media so that there is a constant information flow and awareness.
  - We will be looking to book locations for all events before January 2023. We received a lot of suggestions from our recent survey. Thank you so much to those who provided those suggestions. If you would like to make additional suggestions, please email seneschal@calafia.org. We had a really nice list of sites come through and will be shopping around on the site especially for Anniversary as it is a change over and the rangers will not allow us to stay later.
- There was a lot of emotion surrounding the Crown Tournament and while I want to encourage open discussion between the populace, just as a reminder, we are a society based on chivalry and you should treat others with kindness and respect.
  - We want to keep lines of communication open but please be kind. Let Calafia shine in chivalry and courtesy.
- We are 90 days out from Winter Arts. We will need your Guilds charter or you will be considered Dark.
  - Being considered dark is different than what it was before. Mostly it’s that your information will be taken off the Baronial site.

ADJOINED 2030
COMMENTARY FROM THE BARON AND BARONESS

Thank you so much for three years of amazing hard work Sabyna. We hit the ground running after we got back from Italy. Calafia’s Greatest Warrior and then GWW.

Progress:
- In 2 weeks – Drieburgen
- Calafia Anniversary (11/05)
  - Day after is Brigade practice
- Navajeim – bringing the smaller pavilion
- 11/13- Equestrian Champion
- Isles – 50-year anniversary
- Winter Arts

The other news: Oliver was asked to be elevated as a Pelican. His vigil will be at Anniversary and maybe extending to Winter Arts since Anniversary is a short day. We are getting very close and I want to thank the officers who have stuck with us for so long and for the Barony. Thank You. Please come to Anniversary, most of you know how it goes. If you have any questions, please feel free to contact us. We do have some new people coming on as officers. We are looking for heirs, this is going to be our last year coming up now. B&B is a great opportunity to know everyone in the Barony just a little bit better. If you are interested, please submit your letter of intent by December 1st.

Schedule for the Reeves process:
- 10/01 - 11/01- accepting letters of intent.
- 12/01 - 01/19- Seneschal confirms feedback from Kingdom and check to make sure that the people who submitted fulfill the qualifications (notably that you are a current member of the SCA)
- 01/19 – announce potentials and let the populace know when the Curia is. An email will be created to receive questions.
- 03/15- curia instead of council
- 03/16 - 04/30 – Seek guidance to make final decision and a poll will be submitted to the Populace (Paper poll emailed to current members of the SCA) submit to Crown for their approval. Meet with couples to let them know – formal announcement at Potrero War. Reeves sit from 05/2-09/30 and installed at Anniversary. This will be shared on the internet if you are interested.

Interesting tidbit of information: There is only one active living seneschal with the knowledge of procedure.

- Rumy and I talked about what we envisioned for war and the theme isn’t to pick one thing in Roman history. We are looking for sub stewards and will be posting a “I’m interested “ thing on the webs in the next few days. We would like to get started with a team ASAP. We would like to have our sub-stewards to incorporate that theme in some ways.

GUILD REPORTS, CONT.

- Why is it if I post something on Social Media – why can’t we share from Caid page.
  - As a private status on FB there are rules and regulations that we have to follow. Copy and paste the information and then download the pictures to post.
- Q: Can we create a separate announcement only group?
  - Pages run a bit differently. You have to follow the page and we’ve found it’s slightly less effective
- Q: Would it make sense to do a weekly or monthly wander of what’s happening in the Barony?
  - That is a good idea and we will speak to the Social Media officer about that.
- Our calendar on the webpage is missing information. It’s a good way to keep track on what we have for the month.
  - Anything that needs to go on the calendar there is an email for the calendar. There is a calendar deputy.
- Will send the information to the ST.
- We need to talk about Allied Gardens – the gentleman that was helping us, Luis, has moved on. Shane is doing everything by himself. He is extremely far behind and hard to get in touch with. We might need to find another site to schedule meetings and while we love this place it’s getting harder to reserve anything at Allied Gardens. We will try to work with the City. They are all overworked so please treat them with kindness and we will let you know once we have everything booked
  - Thrown Weapons Guild (Lord Mikhail Liutognev) – Nothing to Report
  - Unarmored Combat Guild (Lord Brian of Garfield) – Nothing to Report

It’s a quick day as we have to be gone at 8pm and the site opens at 10:30am- you cannot come earlier. There will be a homemade cookie contest. This is a gorgeous new site so come check it out.

Do you have the requirements for the A&S – It has to be done this year and within our time periods. There is no specific theme.

We have feast- $15 a head and will be posted. If you have a dietary restriction please let her know ASAP. E have vegetarian options but nothing vegan or dairy free. We do have offboard seating.

Dun Tyr is doing lunch for the event. Donations TBD.

If you would like to steward an event please let us know. We are trying to find a site that allows for combat archery and thrown weapons so we could have a melee on site for Friendship. Bates Nut Farm or Felicita Park?

Considering place in San Marcos? We haven’t approached them about our armored combat and didn’t want to scare them. We want to build up time and slowly bring it up so it doesn’t scare them.

  - If you are a current officer and was not given your badge of office please let us know.

NEW BUSINESS

Do you want to post incoming C&G? We are still waiting on people. Releasing on the 1st of November, next one won’t be until January. Any updates please send to Chronicler.

There had been a couple posts on the Kingdom page about investigations. If you are interested there are documents in the doc library that has the information (handbooks). Investigations take a long time and as a volunteer organization it takes time. If you have issues or questions, please contact the Kingdom Seneschal.

Do you have a cut off for award recommendations for Anniversary. The scrolls are too late at this point but we are always taking recommendations. If you have anyone, please contact the B&B with as much information why the person deserves the award, what the award is, the Person’s SCA and mundane name and maybe the next event they will be attending. We accept recommendations at any time.

Kingdom level awards, there is an amazing form. If you aren’t sure if someone has an award you can google Caid OP and search the person’s name to see what they have. They only thing that is different is peerage awards where you have to write a letter and send it to the secretary of that peerage. Coming soon to the award recommendations on the Baronial page there will be a button but right now it’s an email. Also, anyone can recommend anyone. Kingdom website there is a section that explains all the awards. There Barony has that for all the Baronial awards. Maybe an article for the ST? Sure?

DISCUSSION ITEMS

Rennet park of El Cajon might be a good possibility. They’ve done major renovations. It’s on the west end of El Cajon and wouldn’t be too far. It’s a little further east. El Cajon will not allow fighter practice. The meeting rooms are the major issue. According to the web site, someone that we’ve worked with before works at that site. Room for upwards of 30 people is about the biggest size we have. This is a 90 person room.
