From the Baron and Baroness

Witam, Calafia!

Unfortunately the year started without us, and we were unable to attend 12th Night. Which was very sad for us, as we missed seeing Calafia represented in an elevation and many awards. We did attend Angel’s Melee where I got some stick time on the rapier field. Unbelted Tourney dawned with warm sunny weather, and the inaugural setup & use of the new Baronial pavilion. It was great to watch the armored fighters surrounded by that canvas-based “New Pavilion Smell”. We hope that all those who attended Winter Weekend were able to dig out of the snow, and return rested & filled with great food.

This month we have a full schedule for every weekend, started with attending Poll na Gainmhe Anniversary and Demo. While far to the Eastern edge of our domain, the travel has always been rewarded with good company, good food and good fighting. We have never been disappointed by attending, and we will continue to go long after we step down. St Isidore Anniversary will be a superb chance to dance, dine, and socialize with the members of the College. The Sunday after will be Festival of the Rose, where the Kingdom will honor our Queen with displays of Arts & Science, especially in the form of Cooking! The following weekend brings with it the birth of a new war, which for this year will be a Festival filled with classes in Armored, Rapier and Unarmored combat, as well as Target Archery & Thrown Weapons. We will be attending, and I will need to juggle which classes to take from Armored & Rapier over the two days. This year looks to be a great springboard toward next year’s full WAR, and I hope that you will be able to join us this year, so that decades from now, you can say ‘I was there’… When we return, we will travel to Altavia to join Their Royal Majesties in witnessing the chivalrous battle that is Crown Tourney, to see who will emerge victorious and take up the Crowns following Mansur & Eilidh. We will attend Privy Council on the Sunday after to end the month. The following week will be Estrella War, and we hope that you will be able to join Their Royal Majesties there.

This will be our last announcement that we are looking for heirs to take over at the end of our fifth year. We are accepting Letters of Intent until the end of February, which is this month. If you are going to submit a Letter of Intent, please be aware of the deadline, as well as the scheduling issues of Crown Tourney & Estrella War. We will take the month of March to examine the Letters and speak with the couples. Then at the start of April, we will announce the couples, who will be available for questions from the populace at the Curia in April. More detailed information will be announced at Council, within the ST, as well as on the Yahoo Calafialist group.

Until we met again within the Dream, we remain Yours in Service.

When the fighting was over the Iron Brigade was declared the victor!

**Potrero War**

**May 23—May 27, 2013**

The Barony of Calafia wishes to cordially extend an invitation to the entirety of the Knowne World to join us once again for a weekend of fighting, frolicking, and revelry in the shade of the beautiful oak trees of Potrero Park. The event will be held at Potrero County Park, 24800 Potrero Park Drive, Potrero, CA 91963. This year the event will be held Thursday, May 23rd through Monday, May 27th, 2013.

Pre-registration and land allocation are now available on the Potrero War website www.potrerowar.org. We would like to highly encourage all of our guests to pre-register and sign up for land allocation, as space is at a premium at this well-attended event.

For those guests who choose to pre-register, we will only be accepting mailed-in registration forms. Pre-registration is considered valid only if payment is mailed in with the registration forms.
Pre-registration will be closing on Saturday, May 4th. All pre-registration forms postmarked after May 4th will NOT be accepted and will be returned to sender.

Pre-registration is for overnight guests only; day-trip guests will need to register on site. Please also remember to fill out a land allocation request – pre-registration alone does not guarantee you space. Filling out the land allocation form will help ensure that you are able to get enough space to accommodate all members of your camping group, and makes it much more likely that you will be able to camp in your desired location.

Land allocation will close on Tuesday, May 12th at Midnight.

There will be a wide variety of activities for the entertainment of all, including arts and sciences classes, armored and rapier melee scenarios, unarmored combat practices and tournament, archery and thrown weapons, dancing, and bardic arts. Saturday afternoon we will be holding our traditional fund raising arts auction; donations of hand-made items and other artistic works are most graciously appreciated!

This is your war; please keep in mind that wars are only successful because of all the hours so generously worked by you, the volunteers. Please donate two hours of your time to make the war a more enjoyable experience for everyone.

To keep up on all the latest event information, please visit the Potrero War website at www.potrerowar.org. Check back often for frequent updates.

In January the events they will attend are 12th Night in Gyldenholt, Angel’s Melee and Gyldenholt Unbelted. There were some mumbled discussions about Oliver fighting in Unbelted, Oliver stating he did not have a shield. Several offers for the use of a shield were made but no commitment was made by Oliver. Canton Poll Na Gainmhe Anniversary and demo will be held downtown Holtville. This is the first weekend in February. Oliver reminded everyone that Poll na Gainmhe travels all over the Barony and CAID to attend events and encourages everyone to attend their anniversary.

Oliver and Kate received a thank you note from the Mother, Child and Adolescent HIV program at USCD. Oliver then turned the floor over to Mistress Muirrenn who announced that 82 toys and $571 were collected at the Winter Arts toy drive. She said that the donations of gift card and cash allowed them to purchase age appropriate items for some of the older children. She expressed her gratitude again for such wonderful support from our Barony.

Commentary from the Seneschal: (Reina):

Announcements from Peers and Kingdom Officers: Mistress Muirrenn announced that the following changed on the kingdom calendar; St. Isidore Anniversary is now on February 9, 2013 and Festival of the Rose/Cast Iron Chef is February 10, 2012.

Mistress Muirrenn submitted $385.05 to the exchequer earned from the Coffee bar and Bake sale at Winter Arts for the kingdom travel fund

Baronial Officers Reports

Archery (THL Suzanne): We had 11 practices this month with approx. 14 people per practice. As per Ariana verch Gwenllian:

"Lady Brighid ni Muirenn reports that the UCSD Archery Range now has lights! Beautiful bright permanent sports lighting was recently installed by UCSD on the archery range sports deck, thanks in large part to the efforts of THL John of Sudwelle and his work with campus administration. No more noisy generators or time spent setting up long extension cords with portable lights for every nighttime practice. No more shooting by the glare of floodlights or losing arrows in the dark shadows behind the targets. After more than twenty years of archery at UCSD, we have a beautiful range with lights!"

....

Finally, we are getting a new 20 foot high net installed behind the targets. This means we will be able to shoot safely at 30 and 40 yards distance, instead of just at 20 yards. The bad news is that the range will be closed for three weeks while the netting is installed. Archery practices will be canceled from Tuesday, December 18 through Tuesday, January 8. We're hoping the installation won't take that long, so stay tuned for the actual reopening date. Archers are welcome to contact THL John at [redacted by the Chronicler] to confirm when the range reopens."

Also: Dec. 19 is the 42nd wedding anniversary of Suzanne Delaplaine and Thomas Joseph deLacy

**16 January 2013**

**Commentary from the Baron and Baroness:** We apologize we haven’t done much this month due to illness. We did finally get out to Angel’s Melee. It was very cold so much so that at closing court you could see your breath. There is much to look forward to these next few months. Saturday is Gyldenholt Unbelted tournament and well as Winter Weekend. The first weekend of February is Poll Na Gainmhe demo and anniversary. After that is St. Isidore anniversary. This is a great socializing event, dancing, fun and food, a very relaxing event. Then there is the
Talon-Crescent festival. This is a good start to interact with our counterparts in other Kingdoms. After that is Crown Tourney, then Estrella. We will not be attending Estrella this year due to prior commitments. After that is Pentathlon in conjunction with Gyldenholt/Calafia Friendship Tournament. We will be very busy these coming months.

Commentary from the Seneschal: (THL Reina): Happy New Year everyone! Just a reminder for those who are interested in running an event for this year, please come see me. Specifically we need Leodamus of Thebes, Leif Erickson, Winter Arts, and Calafia Anniversary.

Announcements from Peers and Kingdom Officers:
Mistress Adelicia of Caithness announced that land allocation for Estrella war is now available on the Kingdom website. She is the CAID point of contact for land if you have further questions.

Baroness Brianna has offered to review Pentathlon documentation. She is also looking for judges. You need not have experience nor be a peer/Laurel in an art to judge. Training will be provided.

Mistress Muirenn announced that Calafia won the SCA wide William Blackfox award for layout and design of the Serpent Tongue. [This was later determined to be recognition for being nominated rather than winning. The Chronicler.]

Baronial Officers Reports

Archery (THL Suzanne): 1 practice, 22 people. We missed 12 practices this month as the range at UCSD was closed for maintenance. We're back in business now with new higher archery curtains that should make things safer for both people and arrows. The range has also been gifted with 8 new archery stands donated by a young man who made them for his Eagle Scout award.

Arts and Sciences (Lady Eugenia): Winter Arts was my first event as A&S officer. I have attended other events, but none that required the mantle of A&S officer. *I organized the tables for Winter Arts arts displays. I tried to make sure that there were each person requesting got a table for their items and I tried to make sure that each person displaying had a table space with their name on it prior to everyone arriving. I have plans to make laminated cards to place on the table designating the entrants for the contest and those who wish to just display, and I would like to find special bowls/cups for the tokens, rather than using plastic cups. I also would like to have some beads/tokens ready for next year.

*I am collecting information from all of the Calafian Guilds to put together a Guild directory for the populace and to hand out at events. I will be starting to mock it up within the next couple of weeks. Poll Na Gainmhe is having their event on February 2 and it will also be a demo for the general public to attend. I have begun organizing members of the populace who have an arts or sciences skill that would be able to bring a project and hang out in an A&S demo area, who would be willing to discuss their project with the public. * Potrero War is coming, so I am starting to look for teachers for the classes at Potrero.

* I will be starting on the mockup of the Guild directory within the next few weeks.

Chronicler (Lord Ketill): Recipes needed for the Serpent’s Tongue (ST). Also Guilds need to send upcoming meetings and events months ahead of the date. If the info is passed at the council meeting only, the information won’t be published in time for the next event/meeting. Still need recipes for ST. Send awards so they can be published in the ST. Was it mentioned that recipes were needed?
